COAST 2 COAST CONFERENCE & EXPO

An RE Events Production

HOST LOCATION APPLICATION

Dear Association Executive,

Your association is invited to participate with Real Estate REvive Conference & Expo, a one-of-a-kind industry event that gives a select number of associations the opportunity to generate revenue and bring leading experts to their associations for a nominal fee! REvive is a one-day event that features nationally-acclaimed speakers on topics such as sales and marketing, leadership, technology, and the latest economic/housing market updates. As one of the fastest-growing real estate conferences in the U.S., REvive is once again going "Coast to Coast" in 2020!

Host Location Details

Included in your Host Location participation packet is a secure, password-protected live-stream feed for your exclusive use the day of the conference. Your association logo will be co-branded on all printed & digital marketing materials, as well as on the REvive Event App that will connect attendees across the country, provide opportunities to ask questions of speakers at the event, and allow attendees to network and connect with sponsors and exhibitors! If you choose to host your own vendor expo, REvive logo pens and bags are available at cost. Your association keeps all revenue from your expo and ticket sales! Your association participation fee will be \$1,500. Please contact Mark Epstein for more details at mark@REevents.Live.
